

# Super Crew Soirée: Sicily Cycling Tour

Eight days of spectacular landscapes, Baroque history, and unforgettable culinary traditions

📅 October 17–24, 2026

📍 Southeastern Sicily, Italy

🕒 8 Days / 7 Nights

✈️ Arrivals/Departures: Catania–Fontanarossa (CTA)

# Sicily at its Best

Join us for an unforgettable week of cycling, culture, and cuisine through the spectacular landscapes of southeastern Sicily. From the Baroque hill towns of Ragusa and Noto to the volcanic slopes of Mount Etna, this tour perfectly balances scenic riding with immersive cultural experiences.

Vibrant towns, dramatic landscapes, warm hospitality, and unforgettable food shared among a small group of passionate travelers.

# The Experience Pillars

## The Ride

Cycle spectacular coastal roads overlooking the Ionian Sea, ascend the dramatic volcanic slopes of Mount Etna, and navigate quiet rural roads through rolling vineyards and ancient olive groves.

## The Culture

Explore UNESCO World Heritage Baroque towns including Ragusa, Noto, and Modica. Walk the historic streets of Taormina, the fishing village of Marzamemi, and marvel at the 2,000-year-old Roman mosaics at Villa Romana del Casale.

## The Taste

Experience authentic, curated local dining every evening. Savor traditional cold-processed Modica chocolate and reward your rides with authentic Sicilian almond granita.

# Choose Your Journey

Two supported ride options daily, plus a fully curated program for non-riding companions.

## Lite Ride

Distance: 15–30 miles (24–48 km)

Elevation: 500–1,500 ft (150–460 m)

Pace: Relaxed, with frequent café stops and photo opportunities.

Ideal for: Recreational riders seeking scenery over suffering.

## Extended Ride

Distance: 30–60 miles (48–96 km)

Elevation: 1,000–3,000 ft (300–920 m)

Pace: Challenging terrain and longer scenic loops.

Ideal for: Experienced cyclists wanting to earn their evening wine.

## Non-Rider Program

Activities: Guided walking tours, hands-on cooking classes, nature hikes, winery visits, and local market experiences.

# Ride with Confidence

## Manageable Terrain

Rolling countryside, quiet rural roads, and coastal stretches. Most gradients remain below 8–9%, featuring the steady climbs typical of Mediterranean landscapes.

## Ideal Conditions

October in Sicily features daytime temperatures of 65–75°F (18–24°C), cool mornings, warm afternoons, and famously low humidity.

## Expert Support

Professional cycling guides riding within the group. Dedicated support vans following routes with water, snacks, and mechanical assistance. Optional van transfers available to shorten any ride. Daily luggage transfer between hotels.
